

OCTOBER 2009

***Readers Choose***

**The Top 10 Recruitment Specialists**

Each month, Women's Business asks readers for nominations to create a Top 10 list in a particular category. In this issue, we present the region's leaders in recruitment; the dynamic professionals our readers turn to for top-notch search and placement expertise.

**Beverly A. Kahn**  
***Founder / President***  
**New Dimensions in Technology, Inc.**

"Bev is unequivocally the best search professional I've ever engaged. Once she has a good understanding of the business requirement, she and her staff do a terrific job of identifying superb and highly qualified candidates. Once a candidate is placed, Bev always follows up with both her client and candidate to ensure that everything is going well and that the needs of both employer and employee have been met. She is an exceptional and caring person."
